

- **Incident Command System (ICS) 100 Training:** Provides training on and resources for personnel who require a basic understanding of the Incident Command System (ICS).
- **Incident Command System (ICS) 200 Training:** Provides training on and resources for personnel who are likely to assume a supervisory position within the Incident Command System (ICS). The primary target audiences are response personnel at the supervisory level.
- **Introduction to the National Incident Management System (NIMS) (IS-700):** Provides training on and resources for the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private sector, and nongovernmental organizations to work together during domestic incidents.
- **Introduction to National Response Plan (NRP) (IS-800):** Provides training on and resources for the National Response Plan (NRP). The NRP specifies how the resources of the Federal Government will work in concert with State, local, and tribal governments and the private sector to respond to Incidents of National Significance. The NRP is predicated on the National Incident Management System, or NIMS. Together the NRP and the NIMS provide a nationwide framework for working cooperatively to prevent or respond to threats and incidents regardless of cause, size, or complexity.
